Membership Application Form

PLEASE NOTE: Membership runs from January to December.

The Society:

The British Warm-Blood Society was founded in 1977, it is an organisation devoted to producing pedigree horses for competition at all levels using proven Warmblood lines.
For this reason it is vital to have planned breeding policies and to maintain the standards of the Warm-blood in this country, and also to ensure that Warmblood breeding follows the high reputable quality of inspection and grading practised abroad.

What you receive for your Membership:

Eligibility to register animals : Free sales listing on web-site.
Show Entry at a reduced price
E-Mails with recent news
Online Access to Breed Society Records

The paper format newsletter has now being phased out as all results and news will be posted on the website.
