THE WARMBLOOD BREEDERS' STUDBOOK UK

Membership Application Form

PLEASE NOTE: Membership runs one year from date of payment.

The Society:

The British Warm-Blood Society was founded in 1977, it is an organisation devoted to producing pedigree horses for competition at all levels using proven Warmblood lines. For this reason it is vital to have planned breeding policies and to maintain the standards of the Warm-blood in this country, and also to ensure that Warmblood breeding follows the high reputable quality of inspection and grading practised abroad.

What you receive for your Membership

Eligibility to register and grade animals.

Reduced admin charges.

The paper format newsletter has now been phased out. All results and news will be posted on the web-site, facebook and e-mailed to current members.

Key Rules and Regulations:

In order to enter the Stallion and Mare Grading and to register stock you must be a member of the Society. Rules and Regulations at the Stallion Grading, Mare Grading and Annual Show must be adhered to. The WBS-UK reserves the right to random blood-tests for drugs at any of their events.

How to Join:

Complete this form and send it with your cheque, payable to: BWBS, at the administration address above.
